Attend the 2013 Employee Benefits Fair

Find out What all the Buzz was about...

What is an Employee Benefits Fair?

A Benefits Fair gives our employees an opportunity to visit with all of our employee benefit vendors in one space.

Vendors will be available to give one on one advice, to help complete required paperwork for open enrollment, answer questions, and learn about any changes to the program offerings.

When and Where?

The Benefits Fair will be held at OMI on June 12th, 2013 from 8:30am to 1pm in the **ADS Room**. At 9am, there will be a live 30 minute presentation summarizing the fair and changes in the benefits package. It will be recorded and playing continuously in the **Training Room (Room 114)**.

Who will be there?

Vendors that manage any portion of our employee benefit offering will be in attendance. These include: Health EZ (group health), Assurant (group dental), USABLE Life (group life and disability), Colonial Life (voluntary benefits),

St. Cloud Federal Credit Union (health savings account host), OMI Wellbeing Committee, the EAP (Employee Assistance Program), and our 401K Advisor.

Who can attend?

All employees of Opportunity

“

Talking one on one with the vendors was very helpful and informative.

I enjoyed getting everything done all at once and actually understand my benefit options!

”

Matters are encouraged to attend. Full Time employees are eligible for all benefits, and are required to complete open enrollment paperwork. Part Time employees are eligible to participate in our voluntary benefits through Colonial Life, wellness challenges

organized by the OMI Wellbeing Committee, the Employee Assistance Program, and our 401K.

Have we had a Benefit Fair before?

We held our first annual benefit fair in June, 2012. Because of its success and the positive response by employees who attended, it was easy to make it an annual commitment.

Other Benefits of the Fair...

Health EZ will have the nurse available to test cholesterol levels and blood pressure. Vendors will have give aways and treats at their booths. You can also register to win one of two \$50 VISA Gift Cards.

For More Information:

Please contact Rhonda Sargeant at 320-240-1900. You may also visit our benefits website at www.OpportunityManorBenefits.com for more information on our current benefit offerings.
